Aravilla Adventures

Irene & Joan!

Out with the cold in with the heat! As the weather begins to warm up again we will get to explore and enjoy outdoor bus trips. Nature parks, piers, boardwalks, beaches, the ideas are endless.

Aravilla Adventures take place every Tuesday and Thursday at 1:45pm. Be sure to take a look at our monthly calendar for our bus trip locations every week.

Bob & Linda!

A schedule is made to ensure every resident has an opportunity to ride on our bus trips. However, if you or your loved ones see somewhere that you might really enjoy please inform our activities department and arrangements can be made. Family and friends are encouraged to join! Without hesitation, please sign up a week ahead to ensure your seat is reserved for any additional guests.

Aravilla Adventure to Honeymoon Island!

Boys & Girls Club

Ladies Only Adventure to the Bar!

It has been made a tradition that started back in 2023 to have gender specific fun outings here at Aravilla Clearwater. While the men like to go to the bar for a glass of beer, wings, and mozzarella sticks, the ladies prefer to enjoy an authentic English tea party. However, we do have months where the ladies want to go to the bar and even out for shopping!

Men's only Bar Outing!

As Cyndi Lauper once said, "Girls just want to have fun", and our goal is to ensure the upmost fun for our residents. Our Boys and Girls Club has been very successful this past year and we hope to continue our tradition at the end of every month.

Resident Spotlight: Robert F.

Robert and Doug at Honeymoon Island!

We want to take a moment to welcome Robert F. to our Aravilla Family!

Robert was born in 1931 in Stanley, Wisconsin. After graduating high school Robert studied for Engineering at MSOE (Milwaukee School of Engineering). Robert also served in the Army for a few years as a Drill Sergeant! He temporarily worked at an insurance company called Prudential but then became self employed. In 1970 Robert started his own insurance company named Fagen Insurance. Robert was married for over 23 years to his wife Diane. Together they have 2 children who now have kids of their own making him a very proud grandfather of 5. He also has 3 great-grandchildren!

Robert F.

Robert loves to dance. In fact, he was a professional ball room dancer that loved to go on crew ships just to dance with everyone. He loves the great outdoors. Gardening, fishing, deer hunting, you name it! Robert was quite the sportsman and loves to be healthy and fit.

Robert grew up with his very close siblings; Jim, Alan, and Bette, who are a very important part of his life. The upmost special memories Robert carries are the cookouts he would have with his family and friends where they would corn roast around the firepit in the backyard.

We are so very blessed to have Robert F. here as a part of our Aravilla Family. Please join us in welcoming Robert!
