Happy Thanksgiving

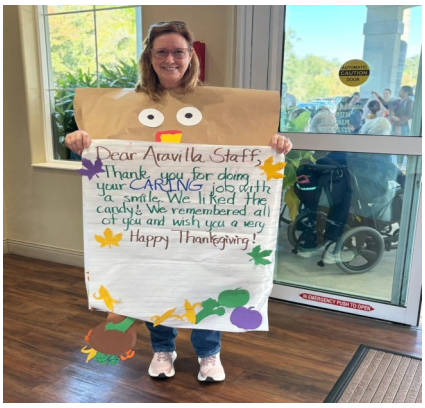

History of Thanksgiving!

Hello, November! As we welcome this new month, we embrace a season filled with meaningful traditions, appreciation, and cherished moments together. This month, we honor the beloved American celebration of Thanksgiving—a special opportunity to pause and appreciate the blessings that surround us.

Thanksgiving Meal!

McMullen Booth Elementary!

President Washington issued the nation's first Thanksgiving proclamation, while President Lincoln established Thanksgiving as a national holiday, observed on the final Thursday of November. Congress later designated the fourth Thursday of November.

To mark this special occasion, we warmly invite you to join us for our Thanksgiving Meal on November 26th at 12:00pm. A delicious selection of favorite dishes will be served. Live music will follow at 2:00pm.

Please RSVP with Reception by Tuesday, November 17th. We look forward to gathering together, sharing gratitude, and creating memories to treasure.

Beatles Museum!

The Activities Department had the pleasure of taking residents to explore some of the hidden treasures in our county, including the Beatles Museum. Walking through this nostalgic attraction brough back cherished memories as the Beatles music filled the air allowing everyone to relive the excitement and Beatlemania of that unforgettable era.

For our automobile enthusiasts and residents interested in the history of American transportation, the staff took the group to The Collection on Palmetto. Residents enjoyed a guided tour showcasing some of the earliest automobiles in the United States while discovering how vehicles have evolved over the decades. Many were especially surprised to see one of the first electric cars on display. These memorable outings sparked conversations long after the trips had ended and created lasting memories for everyone who attended.
